Positions

University of Virginia 2019-2021
Postdoctoral Research Associate

Education

University of Virginia 2013-2019
MA, Social Psychology, May 2016
Master's thesis: Looking back on identities past: Implicit and explicit evaluations of former groups
Advisor: Brian Nosek

Ph.D., Social Psychology, May 2019
Dissertation: Pre-commitment and updating beliefs
Primary Advisor: Brian Nosek
[Preprint](#)

Miami University, Oxford, Ohio 2009-2012
Bachelor of Arts Degree, Summa Cum Laude, University Honors with Distinction
Major: Psychology, Minor: Political Science
Thesis: The Observant Chameleon: Behavioral Mimicry as a Means to Reduce Change Blindness
Advisor: Carrie E. Hall

Academic Publications (indicates undergraduate mentee)

Honors and Awards

Leamer-Rosenthal Prize for Open Social Science - Emerging Researcher

\$10,000 prize given to early career researchers who demonstrate transparent research and/or pioneer new methods to increase the rigor of research. Awarded by the Berkeley Initiative for Transparency in the Social Sciences.

Patton Prize - Spring 2013

\$600 award, given to the top psychology undergraduate student at Miami University

Provost's Student Academic Achievement Award - Summer 2012

\$1,000 award, less than 15 recipients per year

Less than 1% of Miami University students receive this award

College of Arts and Sciences Undergraduate Summer Scholar - Summer 2012

\$2,600 stipend, \$400 for project, \$600 for lab

6 students out of approximately 400 psychology students were awarded the opportunity to conduct undergraduate research over the summer session

Dean's Scholar - Spring 2012

\$750 award in support of an independent research project

Second Year Achievement Award - April 2011

An honor that is awarded each year to the top sophomores at Miami University based on their engagement inside and outside of the classroom, less than 15 recipients per year

Research Support

Fetzer Franklin Fund Metascience 2019 RFP - November 2019

\$20,000 in support of metascience research, Co-PI with Shoshana Jarvis

John Templeton Foundation - July 2019 - June 2021

\$172,209 in support of metascience research with Brian Nosek

Note: I wrote and submitted this grant while still a graduate student. As such, Brian Nosek is listed as the PI on this grant. This grant is also why I was hired as a postdoc at the University of Virginia.

Association for Psychological Science - August 2016

\$51,700 awarded in support of Many Labs 5.

Center for Open Science Incubator Grant - April 2015

\$13,500 for the development of crowdsourced data collection infrastructure

ISPP Junior Scholar Travel Award - May 2014

\$500 for travel expenses in attending the annual meeting of the International Society of Political Psychology

Undergraduate Research Award Grant - May 2012

\$80 awarded for presentation materials for a student driven research project

Undergraduate Presentation Award - April 2012

\$200 awarded for travel expenses in attending the Midwest Psychological Association's annual research conference

Undergraduate Research Award Grant - April 2011

\$485 awarded for research materials and lab expenses for a student driven research project

Consulting

University of Colorado Boulder - Institute of Behavioral Science
Blueprints for Healthy Youth Development

2018-present

Conference and Department Presentations

Ebersole, C. R., (2020, September). *Many Labs 5: Does adding more expertise increase replicability?* Research talk describing primary investigator studies given at the first conference of the Psychological Science Accelerator.

- Ebersole, C. R.**, (2019, April). *Timing and Inference*. Research talk describing primary investigator studies given at the monthly meeting of the Institute of Behavioral Science at the University of Colorado at Boulder.
- Ebersole, C. R.**, (2018, September). *Moderators and Consequences of Replicability*. Research talk describing primary investigator studies given at the Social Area lunch weekly meeting at the University of Colorado at Boulder.
- Ebersole, C. R.** (2018, March). *Modest Coffers, Meaningful Contributions: Leveraging large-scale crowdsourced research for your own purposes*. Talk on opportunities provided by crowdsourced research given at the Society for Personality and Social Psychology's annual convention.
- Ebersole, C. R.** (2018, February). *Investigating Time-of-Semester Variation or: How I learned to stop worrying and love the participant pool*. Talk on time-of-semester variation in effect detectability given at the University of Virginia Department of Psychology's student choice colloquium.
- Ebersole, C. R.** (2017, October). *Striving to make original mistakes: Lessons from Many Labs*. Talk on managing crowdsourced research projects given at Collaborative Replication in Developmental Psychology preconference.
- Ebersole, C. R.**, Axt, J. R., & Nosek, B. A. (2017, September). *The effect of preregistration on beliefs, predictions, and outcomes*. Talk on research of effects of preregistering predictions given at University of Virginia Department of Psychology intra-departmental symposium.
- Ebersole, C. R.**, (2017, August). *Having your cake and eating it too: Iterative exploratory and confirmatory analyses*. Talk on strategies for conducting exploratory and confirmatory analyses given at the American Psychological Association's annual convention.
- Ebersole, C. R.** & McCarthy, R., & IJzerman, H., (2017, August). *Getting started with preregistration*. Workshop on the rationale and strategies for preregistering researcher given at the Society for Improving Psychological Science's annual convention.
- Ebersole, C. R.** (2017, March). *That's got to matter, right? Moderators and consequences of replicability* Talk describing research on metascientific moderators of replicability given at the Social Psychology Research Interest Group's weekly meeting at Miami University.
- Ebersole, C. R.**, (2017, January). *Being tactfully idealistic: A strategy for replications*. Talk on how to achieve scientific ideals through replication research while operating in current incentive structures given at the Society for Personality and Social Psychology's annual convention.
- Ebersole, C. R.**, (2016, May). *Open science as pro-social and pro-self*. Talk on motivations for engaging in open science given at the Association for Psychological Science's annual convention.
- Ebersole, C. R.**, (2015, April). *Many Labs 3: Investigating time of semester variation*. Research talk describing primary investigator studies given at the Social Area lunch weekly meeting at the University of Virginia.
- Ebersole, C. R.**, Motyl, M., & Nosek, B. A., (2014, July). *What brings both sides to the table? Comparing interventions for reducing political hostility*. Talk given at the annual meeting of the International Society of Political Psychology.
- Ebersole, C. R.**, (2014, April). *Can't shake the spirit: The effect of past group memberships on current group preferences*. Research talk describing primary investigator studies given at the Social Area lunch weekly meeting at the University of Virginia.

Ebersole, C. R., (2012, August). *The effect of mimicry on change blindness*. Research talk describing primary investigator studies given at the Social Psychology Research Interest Group's weekly meeting at Miami University.

Invited Presentations

Everyday sources of bias (2017, July). Talk on implicit bias and person perception given to the National Radio Astronomy Observatory.

Becoming an open scientist (2016, December). Talk on open science practices given at Center for Open Science conference for science funders.

The ordinary origins of bias (2016, January). Talk on implicit racial and gender bias given to the University of Virginia Residence Hall Association.

The ordinary origins of bias (2015, December). Talk on implicit racial and gender bias given to the University of Virginia Arts Mentors Program.

The ordinary origins of bias (2015, October). Talk on implicit racial and gender bias given at the University of Virginia Diversity Dialogues.

Mindbugs: The ordinary origins of bias (2015, August). Talk on implicit racial and gender bias given to the University of Virginia Honor Committee.

Mindbugs: The ordinary origins of bias (2015, July). Talk on implicit racial and gender bias given to the University of Virginia Leadership on the Lawn program.

Mindbugs: The ordinary origins of bias (2015, April). Talk on implicit gender bias given to the OXIDE convention.

Mindbugs: The ordinary origins of bias (2015, January). Talk on implicit racial and gender bias given to the University of Virginia Residence Hall Association.

Invited Course Lectures

Everyday sources of bias (2018, February). Talk on implicit bias and person perception given to course on Writing in Intergroup Contexts, University of Virginia.

Everyday sources of bias (2017, March). Talk on implicit bias and person perception given to course on Public Health, University of Virginia.

Everyday sources of bias (2017, February). Talk on implicit bias and person perception given to course on Writing in Intergroup Contexts, University of Virginia.

Everyday sources of bias (2016, November). Talk on implicit bias and person perception given to course on Public Health, University of Virginia.

Everyday sources of bias (2016, September-October). Talk on implicit bias and person perception given to four courses on community engagement, University of Virginia.

Everyday sources of bias (2016, September). Talk on implicit bias and person perception given to course for future teachers, University of Virginia.

Everyday sources of bias (2016, March). Talk on implicit bias and person perception given to course on Public Health, University of Virginia.

Everyday sources of bias (2016, February). Talk on implicit bias and person perception given to course on Ecological Democracy, University of Virginia.

Poster Presentations

- Ebersole, C. R.**, Axt, J. R., & Nosek, B. A. (2016, January). *The reputational consequences of replication*. Poster presented at the annual meeting of the Society for Personality and Social Psychology.
- Ebersole, C. R.** & Nosek, B. A. (2015, February). *The role of past religious memberships on current religious group preferences*. Poster presented at the annual meeting of the Society for Personality and Social Psychology.
- Ebersole, C. R.** & Nosek, B. A. (2014, February). *Religious adherents show implicit in-group favoritism and negativity toward Islam (except for Muslims)*. Poster presented at the annual meeting of the Society for Personality and Social Psychology.
- Ebersole, C. R.**, Krueger, K. L., Katz M. L., & Hall, C. E. (2013, January). *The observant chameleon: The effect of mimicry on change blindness*. Poster presented at the annual meeting of the Society for Personality and Social Psychology.
- Ebersole, C. R.**, Krueger, K. L., Katz M. L., & Hall, C. E. (2012, May). *The effect of mimicry on change blindness*. Poster presented at the Psi Chi session of the annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Ebersole, C. R.**, Krueger, K. L., Katz M. L., & Hall, C. E. (2012, April). *The effect of mimicry on change blindness*. Poster presented at the annual Miami University Stephen Hinkle Memorial Poster Session, Oxford, OH.
